ARTISTRY

HAND-RENDERED & HAND-GILDED

Be it inspirations from the natural world, ancient civilizations, or geometric rhythms, all G|P Artistry finishes share in time-honored techniques of human hand to create something new and modern.

Our **Hand-rendered Artistry** finishes are statements of mesmerizing layers of glazes, paint and crackled lacquer with zigs and zags of line, height, and soulful irregularities of the artist's handwork.

Hand-gilded Artistry is the gilding of metallic leaf to our original designs that we apply to unexpected surfaces like our Exotic Wood Series. And this artistry is equally compelling with other G|P woods and trademark stains.

With a G|P Artistry finish, designers have a truly unique surface statement only possible with the best of artisan craftsmanship.
