TEXTURE & COLOR PLAY WITH
LIGHT IN GREGORIUS|PINEO'S
NEW LINEN COLLECTIONS.

Our three new Linen blends, Namesake, Prism and Apex – highlight distinctive variations in open or tight weave structures to create each Linen's unique character. We start with the finest of Belgian Linen yarns & exclusively design & weave these patterns in Los Angeles. Each one of these sophisticated blends excel in bringing a lovely & subtle play of light to installed walls in a range of 38 colorways.
