## WALLCOVERING COLLECTION

A non-repeat pattern allows Tempo to beat its drum in rhythmic abstraction. Playing forward ancient treatments of plasterwork, each panel is created by hand with layers of customized glazes of color that coalesce with a screen of hand-rendered art. Once merged, the artist's delicate coaxing of colors and materials yield an emotive surface of texture and depth. The paper's flexibility and sturdiness reinforce its innovation of old world and new world.
