RAFFIA

WALLCOVERING COLLECTION

Raffia is the epitome of handcrafted texture. Our collection has stood out as the “go-to” for designers in a collaboration with artisan weavers that began some 40 years ago. Today the legacy continues with new introductions and a user-friendly presentation of texture options. Adding to the natural beauty of our classic sun-bleached tone is a darker natural tone (prior to the kiss of the sun) that we call Madagascar and a combination of our lighter Sun Bleach with Madagascar called Natural. For your convenience, you’ll find our series of eight textures displayed to highlight each texture in its three available tones.

Dimensions vary by weave. Please consult your sales representatives for details. Flammability Rating: ASTM E84 Class A. Color is shown for reference only. Colors on screen may vary due to monitor display differences.
